

# Lakewood Country Club Membership Plans for 2021

The Lakewood Country Club championship golf course has been the place to go for a round of golf since it was established in 1896. The par 72, 18-hole, 6,566 yard course—year-after-year voted best public Ocean County Golf Course in the Asbury Park Press Best of the Best readers' poll - is designed to offer challenges that test and enhance the skills of golfers at every level.

Lakewood features all the amenities of a great course – carts, lockers, and lighted driving range. A clubhouse with three bars & restaurants (including our popular tiki bar), two wedding ceremony sites, and elegant banquet facilities complete the amenities. Lakewood has all the advantages of a private club but is open to the public. Golfing is available year-round, weather permitting and is the “Home of winter Golf”!
